

Letter of Recommendation

September 07, 2026

To Whom It May Concern:

I am honored to recommend **Ghaniya Shoaib** for the position of **UI/UX Design**. During their time at Appverse Technologies, they demonstrated a strong understanding of user-centered design, interface structure, visual hierarchy, and practical product design workflows.

Throughout the internship, Ghaniya Shoaib contributed to digital product experiences by developing wireframes, refining interface concepts, applying feedback, and collaborating with product and development teams.

Ghaniya Shoaib showed proficiency in interface design, prototyping, design consistency, and usability thinking, together with creativity, attention to detail, and a thoughtful response to critique.

I highly recommend **Ghaniya Shoaib** for relevant **UI/UX Design** opportunities. Their empathy, visual judgment, and commitment to useful design would make them a valuable addition to any product or design team. Please feel free to contact me if you require any further information.

Sincerely,

Alizay Aliyy
HR Manager
Appverse Technologies
